
« The Live in Action »»

Project context

"Together, we can create a better future for everyone!"

Who are we?

**Pragmatic and realistic entrepreneurs
first and foremost!**

→ For the future to be possible, we need to face up to the sheer volume of problems and the lack of funding to solve them, which calls for a new ethic..

Oui Ensemble

Promoting social inclusion and activity at all ages, helping everyone to stay active, so that they can “Aging Well Together for a Long Time”

Cooperation in unison in the service of living beings, between a developed and a developing country!

Project Principles:

→ **Inclusion**

This project promotes inclusion and diversity for a fairer world.

→ **Solidarity**

The project emphasizes solidarity and mutual aid for a better future.

→ **Progress**

The project aims to build a better future for all based on social and economic progress.

The 3 pillars off our business model

Proposition of value

Responding to the needs of a community of citizens with common interests

→ By reorganizing activity maintenance and changing lifestyles without sacrificing generations, by federating the "Aging Well Together for a Long Time" put at the service of 3 values as guiding principles: inclusion, solidarity, social and economic progress

Contribution

Creation of a new, meaningful profession orchestrated on a self-financing basis:

"Social Entrepreneur Mediator Link Worker" in multifaceted, synergistic cooperation with citizens, public and private partners of all social statuses.

Architecture of value

The process of binarization and social categorization does not meet all individualized human needs within a collective

Implementation of the action using the holistic project design process with:

- 7 Activity Poles backed by a SiRH
- The new profession, articulated between Three Professional Profiles and Five interactive and interdependent Key Competencies, to steer the networked humanist cause in a unique win-win Multi- Services HR approach

Oui Ensemble is a Life Concept network organized around a common cause with a precise goal:
To maintain balance and good health through socially fulfilling "Life in Action" and a decent place to live in a sustainable environment.

The "Social Entrepreneurs Mediators Link Workers" Oui Ensemble
